

# Some instructions to help you make perfectly knitted moods garments.

## Example 1

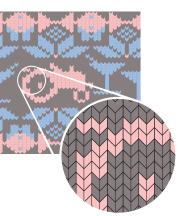

Please note that it is important to use the specified pattern.

It is more important to use correct pattern than to use the exact gauge:

### **DESIRED STITCH PATTERN**

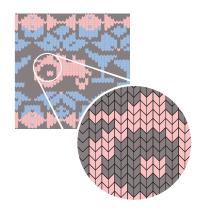

## OK!

- slightly altered gauge size
- correct pattern (important!)

#### NOT OK!

- distorted pattern

# Example 2

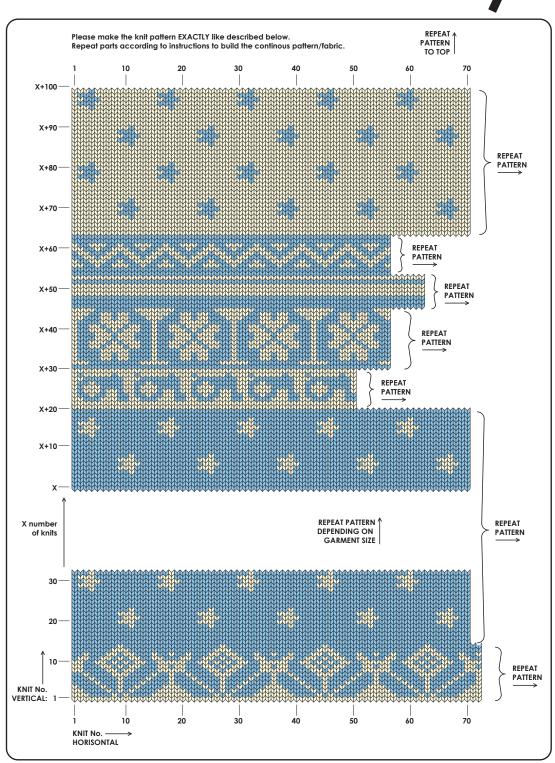

If you have trouble figuring out the exact pattern from our production files,

do not hesitate to contact us.

We can send you a detailed instruction for each knit pattern. We may be able to get you the pattern in ASCII-code, if you want to use that to program your machines?

See examples below.

knit pattern details:

W = white knit B = blue knit
